HISTORIC AMERICAN BUILDINGS SURVEY

BRICK HOUSE

HABS No. MO-1574

Location: St. Charles, St. Charles County, Missouri

HISTORICAL AND ARCHITECTURAL INFORMATION

The following information was recorded by Alexander Piaget and Charles van Ravenswaay at the time the photograph was taken:

Built ca. 1860.

While Southern in feeling with its rear wing and double gallery, the brickwork is German in character. The continuation of the brick cornice on the gable end and the treatment of the arching above the door is like that found on numerous cottages throughout the county.

PROJECT INFORMATION

The Piaget-van Ravenswaay Survey consists of a number of photographs, primarily of sites and structures in Missouri, which were taken before 1938 by Alexander Piaget and after that by Paul Piaget, both in conjunction with Charles van Ravenswaay. Photographs of buildings were incorporated into the HABS collection in 1985 by Laura Rupp and in 1986 by Deborah Fulton, HABS historians. A master list is available in the ~~MO-1574~~ records for MO-1800.
